Thank	You Page Thank You	🖹 Add Page		

Please Note: The hidden action value that this process sets up must appear at the beginning of your survey. Participants will not see this block since it is hidden. The survey will still start with the first block after the hidden action.

Step 4: Scroll down to your Thank You page (end of survey). Add a new action by clicking 'Actions' and then look for 'Redirect to a URL'. Next to 'Redirect to a URL' click the green 'Add' button.
